

### **19. Basic Decision Making Priorities 'check List (0:26)**

Three things to consider. FIRST - was it good for the Coast Guard and the people in the Coast Guard and SECOND - how does it affect the people in the Coast Guard and then THIRD - how does it affect you.

And if you take care of the first two, you'll never have to worry about number three. You'll be taken care of.

Now, I don't know if that's always true but if you take care of the Coast Guard - the people in it - you've done a good job.
