

81. Two Elderly Men (0:41)

Two elderly guys were sitting in the bar.

Across from them were two old guys and one guy says to the other, "See those old guys over there? That's what we'll be like in 20 years."

And the other guy says, "You idiot! That's a mirror!"

[Laughter] [Music] You like that joke? You did?

That one yeah. I got that one.
