

89. 1965-2023 Annual Thanksgiving Letters (12:11)

There is no transcription per se.

This video contains every annual letter sent by Les High to 1965 classmates from commissioning through 2023 when he could no longer continue because of deteriorating eyesight.

CAPT High switched to calling each classmate and/or surviving spouse for 2024 and 2025 instead of writing letters.

Besides being able to read the letters one at a time with the hold button, you can print single or multiple letters with this following link:
