

## **62. Mini Reunion 2012 – Evening Meal Prayer (2:26)**

So, welcome to MCAS Miramar. We're very glad that you're here. We're going to start off with Lloyd George offering a grace immediately after which we're going to do a toast. So if you'd all stand for moment. Here we go.

Dear Lord, our God, thank you for giving us this time to be together, for the safety of our travels here, the opportunity to express our continued bonds, our camaraderie, our love, respect and support for one another. Thank you for giving us the Highs as examples of how to live, how to behave with integrity, honor and love.

We ask your blessings on the balance of our time together and as we travel our separate ways. We ask for your continued blessings of support and health to our families, recovery to those whom we know and love that are ill and in need of our prayer and support. We ask for your continued blessings on all those who would love to be with us and cannot - worthy of a blessing and support we ask that you remember those who have gone before us, who are no longer with us except in our hearts and our memories and all those wives still living of deceased classmates and their families.

We ask this in your name and for continued love and support and remembering this wonderful occasion. Amen.
